1. JOB PURPOSE

SheDecides is a global political movement driving change, fuelled by actions in communities, with young people at its heart. The movement was born in January 2017 as a result of the reinstatement and expansion of the Global Gag Rule and has grown significantly since then. The movement is now guided by a Strategy (2019-2021) and a costed workplan and is supported by the SheDecides Support Unit (SDSU).

The movement seeks a Regional Movement Supporter (Africa), to support the growing movement in Africa, including emerging local movements. SheDecides empowers politicians, organisations, creatives and people – especially young people – across the world to work together in new ways to create a new normal. Working together, we advance the fundamental right of girls and women everywhere to decide on their bodies, their lives, their future.
